

### Inspection of Churches Measure 1955

All the Churches in the Liverpool Diocese have now been categorised and placed under one of four headings. The letter of instruction will include the category of the church and you are requested to submit your invoice accordingly.

<b>CATEGORY 1</b> 'Simple'	£500 + VAT	A one 'cell' chapel or converted secular building – generally post-war or a two 'cell' building consisting of nave and chancel only.
<b>CATEGORY 2</b> "Typical"	£600 + VAT	19 <sup>th</sup> Century – nave, chancel, side aisle[s]; eaves, gutters; no roof space; roofs than can be viewed from ground level; no significant tower or steeple requiring inspection above ground level..
<b>CATEGORY 3</b> 'Typical with Tower or Spire'	£750 + VAT	As Category 2 plus significant tower or spire and/or parapet, gutters and/or transepts. These cannot be viewed adequately from ground level.
<b>CATEGORY 4</b> 'Special'	£1050 + VAT	Those churches selected as 'special' owing to their size and/or complexity. They could be of any Listing or none.

Church Halls or other buildings connected to the church are not included in this Measure.
