Generous Giving at

St Michael and All Angels, Dalton

Parish of Upholland and Dalton

Welcome to St Michael and All Angels

Thank you for joining us and thank you making this church your spiritual home. It is always a joy when folks feel comfortable to settle and play their unique part in the life and witness of our church.

Thank you also for asking about giving to church. Your generosity makes things happen: maintaining our church, sustaining our prayer and worship, growing in faith and serving our community here in Digmoor.

We can and do give to the needs around us. But as Christians we also need to give. Generosity is part of being a follower of Jesus. It's one way we grow in our faith.

Thank you for reading this leaflet. It introduces the Parish Giving Scheme (PGS), the best way to support our churches, and two other ways to give which compliment the PGS if you want to make occasional gifts online or in church.

with thanks from The Revd. Paul Lock

How your gifts make a difference

Your giving make a big difference. Worship is the centre of all we do and your generosity sustains our wonderful church and it's clergy. But there is so much else going on and it is generosity of time and skills and money that makes it all possible. Thank you for being part of our life together at church and in our community.
